

Student Wellness and Success Funds

School Name: Fairfield Preparatory Academy

IRN: 020759

Fairfield Preparatory Academy (FPA) will use Student Wellness and Success funds to provide psychological services, occupational therapy, physical therapy, and other services associated with serving students with disabilities.

FPA will use at least 50% of Student Wellness and Success Funds for mental health services or physical healthcare services or a combination of contracting with outside agencies to provide counseling and other services to our students and hiring mental health professionals.

To support the use of Student Wellness and Success Funds, the Academy will partner with at least two community partners. During the 2024-2025 school year, the Academy will partner with ASI Community Wellness Group and Kids Thrive (i.e. a community mental health prevention or treatment provider or local board of alcohol, drug addiction, and mental health services board and one of the community partners listed on the Student Wellness and Success Funds and Disadvantaged Pupil Impact Aid webpage). As well as PSI Solutions (who assist with our language barrier students and English as a Second Language Students). PSI will provide pull out services to our ESL students daily throughout the week.

The use of the Student Wellness and Success funds will impact our students by improving overall Social and Emotional Health and addressing the ongoing concerns stemming from the pandemic. The funds will help 10-15% of students who will be directly impacted. The Academy expects to see a 5-10% decrease in disruptive student behavior year over year.

Schools: Please see the following website for information on community partnerships - <https://education.ohio.gov/Topics/Student-Supports/School-Wellness/Supporting-Student-Wellness#Uses%C2%A0>
